Year 5 Application

Sir Allan MacNab is currently entering course options for the 2019-2020 school year. Each year, a number of students make the request to return for a 5th year. As a school, we want to provide students with every opportunity for future success. However, returning to high school for a 5th year requires some additional responsibility on the part of the student.

Registration for a 5th year is not automatic. An application must be completed and approved by a Vice-Principal.
