

Gigit

Students – use this link to keep track of volunteer hours. They will automatically be reported and seen by Administration (but still need to be printed and handed in for our records).

Gigit hours are all not-for-profit and thus appropriate hours for your purposes. Plus, with the opportunities they offer, you will often find an opportunity that provides satisfaction and enjoyment for you.

Don't wait until the last minute. Do 10 hours each year (1 hour a month) and by graduating year, you will have them done!
