

Changing Lives through the Power of Work

The Goodwill Career Center, located on Upper Gage Avenue, has a program running during March break for students 16 – 18 who are looking for part time employment.

The program itself is a 20 hour workshop that takes place during March break. Participants are paid and they learn more about the workforce. Once the 20 hours are successfully completed, the Goodwill Career Center will assist these youth in securing sustainable employment.

Please note that there is no charge associated with this and if you are interested, you are asked to go to the Goodwill Career Center for intakes.

For more information, please contact them at: Phone: 905-526-8488, ext 1232 or on the web at www.goodwillonline.ca
