### Where do I go on the day of the Celebration?

- Please arrive at your scheduled time (not long before) as social distancing protocols will be followed and the next appointment cannot start until you have left.
- You will start in the parking lot off of Magnolia Drive south of the front entrance to the school.
- You will first check in with a staff member and confirm that you (and guests) have completed the COVID screening. Look for the tables set up in the parking lot to know where to start.
- An area will be designated for material drop off that you no longer require for the remainder of the school year (Ipads, text books, etc.).
- You will then proceed to the Cap and Gown pick up area. Please be sure to wear attire that will allow for you to easily place your gown over top as there will not be changing areas provided. The caps and gown are for you to keep and will not be returned.
- You will then proceed to the front entrance area of the school. Edge Imaging will be onsite taking complimentary photos (1 photo per graduate). Masks may be removed while having your photo taken.
- Lawn signs will be available to students that would like one and can be picked up after photos.
