Student Course Selections
2022-2023

It is strongly recommended that students discuss course pathways with their parents/guardians and guidance counsellor before submitting course options. This will help ensure you are choosing courses that are aligned with your desired post-secondary destination (community living, college, workplace, university, apprenticeship).

Note: PLEASE CHOOSE YOUR COURSE SELECTIONS CAREFULLY!

The more effort you place in choosing courses, the more likely you

will be provided with a suitable timetable. Next year, timetable changes may not be possible.
