

It is strongly recommended that students discuss course pathways with their parents/guardians and guidance counsellor before submitting course options. This will help ensure you are choosing courses that are appropriate for your desired post-secondary destination (community living, college, workplace, university, apprenticeship).

Note: PLEASE CHOOSE YOUR COURSE SELECTIONS CAREFULLY!
The more effort you place in choosing courses, the more likely you
will be provided with a suitable timetable. Next year, timetable changes <u>may not be possible</u>.
