

Sir Allan MacNab Secondary School

Student Course Selections 2025-2026

It is strongly recommended that students discuss course pathways with their parents/guardians and guidance counsellor before submitting course options. This will help ensure you are choosing courses that are appropriate for your desired post-secondary destination (community living, college, workplace, university, apprenticeship).

*Note: PLEASE CHOOSE YOUR COURSE SELECTIONS CAREFULLY!
The more effort you put in choosing courses, the more likely you will be provided with a suitable timetable. Next year, timetable changes may not be possible.*
