The Hamper delivery program: By calling 905-537- FOOD (905-537-03663) households will have access to our no contact delivery service. This number can be used by a referral source, such as your program, or by the service user directly. The call lines are managed by Hamilton Food Share. There is a brief assessment for individuals who self-refer to ensure they are not able to access food banks in person. Our member agencies pack these hampers, and the City of Hamilton's Emergency Operations Centre delivers them.
