

YWeLeap

Life Skills, Educational Supports,
Adult Allies & Peer Connections

*taking leaps
into the future*

Ready to take a leap?

Join us at YWeLeap to take your next big step! This program is for **girls, non-binary and gender-fluid** youth in middle school (grades 7 - 8) and early high school (grades 9 and 10).

Get ahead of the game!

The YWeLEAP program offers you an opportunity to increase belonging and life skills while creating a sense of community. You will have access to educational support from workshops, peer connections with other youth in your age group as well as adult allies who can provide you with guidance throughout the process.

Drop-in space

A youth-led space! Join us for games, art, a space to do homework, find resources, access basic hygiene supplies

Mondays and Wednesdays
3:00 to 6:00 p.m.
