

IMAGINATION INVESTIGATION

MONDAYS FROM 3:15-4:15

HELD AT MICHAELLE JEAN ELEMENTARY SCHOOL FOR EIGHT WEEKS

February 3rd - APRIL 6th

(Skipping Family Day & March Break)

"I just wanted to thank you for giving my children the wonderful "Mad Science" experience. Each week they came home excited and proud of what they had learned and demonstrated their new "science" knowledge. Yesterday they both pulled out their achievement certificates and put them on the fridge - very proudly. Thank you!"

- Karen - Brantford

REGISTER BEFORE JANUARY 29th, 2020 AND RECEIVE \$10.00 OFF

Registration Information

Policies: By registering your child, you acknowledge that you have read and agree to the policies found on our website.

Reminder: Announcements will be made at the beginning of each class to remind all registered children to attend the Mad Science program. We suggest to write a reminder in your child's daily planner to let their classroom teacher know your child is registered.

Program Cost: \$106 + HST Register before Wednesday January 29th and receive \$10.00 off

Payment Information: All Major Credit Cards Accepted. Please call the Mad Science office if you prefer a different method of payment.

Questions: Please direct all questions to the Mad Science office rather than your school office.

Behaviour Expectations: We are committed to offering a quality program for every child registered in Mad Science. Your child should be able to interact safely and appropriately with the Presenter, the other children in the class, and the equipment in both group and individual activities. While we make every effort to assist each child in having a great experience, children who display behaviour not within these guidelines may be withdrawn.

Program Details: This fun, safe and interactive course is suitable for grade 1-6 students. Your children will be working with our professional, trained Presenters. Each class is filled with dynamic demonstrations, tons of hands-on activities and weekly take-homes! If the program is happening during lunch or nutrition break, your child will eat during the first part of class.
