Subject: Michaelle Jean Elementary Well Supply

Dear Michaelle Jean families and staff,

This letter is to inform you that we have recently undergone some work to our well water system and in consultation with Public Health are monitoring the system to ensure everything is operating as required. During this monitoring period, drinking water fixtures (hydration stations and food prep sinks) will remain bagged and tagged out of service and a water cooler is available for students/staff. Hamilton Public Health will be consulted prior to the return of drinking water fixtures to service at our school.

Thank you for your patience and understanding.

If you have any questions, please let me know.

Sincerely,

Lisa Neale
