Halloween at Michaëlle Jean

On Friday October 29th, we will be celebrating Halloween at Michaëlle Jean. The following practices are in place to ensure safety for students and staff during COVID times.

- Students choosing to wear a costume should come to school already wearing the costume.
- Please make sure costumes are appropriate (no cultural appropriation, no offensive and insensitive costumes, no weapons, no costume masks that might impede vision, no inappropriate images.)
- Student costumes must be able to accommodate a face covering as per COVID requirements.
- A costume mask cannot substitute a face covering. A costume mask should not be worn over a non-medical mask or face covering because it can be dangerous if the costume mask makes it hard to breathe.
- No costume parades are allowed indoors or outdoors.
- No in person assemblies are permitted
- Activities must take place within a student cohort and cannot involve a mixing of cohorts.
- Students are allowed to bring in treats for themselves and/or others. If bringing treats for others, please bring in purchased, nut free, individually packaged treats.

If you have any further questions, please don't hesitate to contact your child's teacher or the main office at 905 6925436

Have a wonderful Halloween
