Dear Families,

I am happy to share some exciting news regarding renovations that will be taking place at Michaëlle Jean beginning July 2023.

Renovations offer an opportunity for our community to invest our school's future and will provide a safe, inclusive and welcoming environment for our students.

The scope of work will include the following:

- Corridor renovations, including new ceiling and lighting
- Gym renovations, including new gym flooring, painting, lights, and protective padding
- Washroom renovations, including new fixtures, partitions, paint, installation of a ceiling, new lighting, ventilation system, and update accessibility where possible.
- Replacement of all exterior windows and doors

We look forward to seeing this work completed during the summer. The work is currently scheduled to be complete before we welcome back our students.

If you have any questions, please feel free to contact me at the school.

Sincerely,
Madame Constable
Principal
