Dear MJ Families,

Thank you to all the families who participated in the End-of-Year picnic this year. The weather held and it was a great event despite some last-minute cancellations.

A huge thank you to the parents and students who volunteered to run stations at the event and took part in the planning and organization of the event. It was truly a team effort and the MJ community rallied to support!

The School Council is always looking for new members and parents who are interested in helping out. Look for information about next year's council in the first few weeks of September. We welcome input and participation from all our families and the council is a very fun group!

Wishing everyone a healthy and safe summer vacation.

MJ School Council
