

Millgrove School Holiday Food Drive

Monday December 3rd to Tuesday December 18th

The Millgrove School Holiday Food Drive for the Flamborough Food Bank will begin on Monday December 3rd. Items will be collected daily from your child's classroom, counted and sorted as part of the grade 5's study of Data Management. The last day for donations will be Tuesday, December 18th.

Watch the graph outside the French room as we track our progress towards our goal of 750 items.

Some examples of items that could be donated:

- lunch and healthy snack items for school-age children (nut-free granola bars, juice boxes, crackers, pudding, jello and fruit cups...)
- canned fruits and vegetables (especially niblet corn, and canned or boxed potatoes)
- canned meats
- canned chili or stew, chunky-style soups, pasta sauce and tomatoes, pork and beans
- pancake mix and syrup, and instant breakfast items including cereal
- macaroni and cheese, dry pasta
- while not a food item, the Food Bank is in need of deodorant and razors for men
- festive treats

Thank you for caring and sharing!
