Volunteer opportunities include a winter food drive collection for a community charity; a Read-a-thon in January to coincide with Literacy Week; a book fair in May to coincide with our open house; activities such as the Terry Fox Run and cross-country running; hanging student art work, checking-in and re-shelving library books; organizing the book cart for book exchange; helping staff with classroom tasks such as visual art prep; copying, cutting and pasting resources for students; reading with students; organizing / counting out community brochures, notices, etc. to go home with students and administrative tasks; participating on school trips and school activities. Please check out the volunteer section on the Millgrove web site for more information.
