Kindergarten Registration is open! Please register children born in 2015 who will start kindergarten next year. Registration packages are available in the office. Kindergarten orientation is May 23 at 6PM.

Note if your child will be riding a different bus in your child's agenda or by calling the school. We cannot have a child ride another bus without written parental consent.

Please write a note in your child's agenda or contact the school at 905-689-4544 if you wish to speak with a staff member.

Millgrove Children's Centre parking – please respect that this is private property and parking for parents dropping off children at childcare.

Please contact Becky Galer at beckygaler@gmail.com to be involved in Go For Green or with any questions. This is a great community event that keeps our school grounds looking great.

The Paper Bag Princess was a hit with students and staff alike. The message that what is important is on the inside, not what you wear or how you look, was well received.

Thank you to the School Council who funded this performance.

The Great Big Crunch took place on March 28. This event is in support of healthy eating. Thank you to Drummond Farm for providing the apples and the Health Action Team (HAT) and Millgrove staff for organizing this fun school event.

The eco team is organizing activities for Earth Day, which Millgrove will celebrate on April 23. Remember to send water in a non-breakable container and a litterless lunch.

Every little bit helps!

The Positive School Climate and Health Action Team have planned a crazy hair day for April 18. Wear a crazy hair do to support our focus on a positive school culture and well-being.

Grade 3 students are fundraising for the swimming program by selling popcorn every Friday for \$1 a bag. The popcorn is salt and butter flavour from Kernels.

Ukulele Registration is open to all students in grades 1-5. The program, offered by Little Jammerz, begins on April 15.

The HWDSB works to ensure that **all students arrive at school safely each day.**

To improve our safe arrival process, we are introducing a new system that will make it easier and more convenient for you to report – and respond to – your child's school absences.

SafeArrival allows families to report or schedule a future absence in one of three ways:

1. Website
2. App
3. Phone

This will save time when a school needs to verify student attendance and contact families about an unexplained absence.

Watch for more details in the weeks ahead. We will be confirming family email addresses, sharing details about **SafeArrival** and giving you plenty of notice before its launch.
