We would be grateful for plant and supply donations and loans of gardening tools!

We have a few log benches that need to be repaired/replaced in our outdoor classroom on the west side of the school. This can be done outside of the Go for Green day.

It's for the birds!

Help the FDK classes make pinecone birdfeeders during GFG. Along with some special volunteers we are looking for 60 large pinecones, a few packages of lard and birdseed to make this project fly!
