

Go for Green

"Reimagined"

Hello Millgrove Families! The Go for Green team has been working on a creative way to still care for our beautiful playground so it's ready for when our kids return to school. We are looking for 15 families (or more is better) to adopt a garden bed at the school to care for during the school closure. This is a great way to safely get outside with your family and keep your kids connected to their school.

If you are interested in helping please call or email before Monday June 7th to: sjrobin@mcmaster.ca 905-906-4116
