

Millgrove Principal's Report – March 2021

Current student population is 145 in-school. Transition back to school went well.

For students riding the bus, stay in the assigned seat!

Students must wear their mask indoors and outdoors and follow hand hygiene and physical distancing expectations.

Students will be outside for nutrition breaks and should wear their outdoor wet weather gear – including rain boots as the puddles are hard to avoid.

IPad have all been returned and distributed to all classrooms and are in use by students in grades 1-5.

Daily screening requirements have changed slightly – sibling must go home if a child develops Covid symptoms and stomach ache has been removed as a Covid symptom.

Silly Sock spirit day will be on Friday and is being organized by the positive school culture team aka Mrs Dahmer's class.

March 5 PA Day – Learn. Disrupt. Rebuild. LDR - Developing our Equity Consciousness – this is the HWDSB's Positive Culture and Well-being focus for schools (equity and inclusion) with the goal of responding to students needs and lived experience. We also looked at Student Learning and Achievement with a reading focus as well as school priorities such as blended learning.

PPT presentation to provide an overview of LDR.
