Dear Millgrove Families,

On October 29th weather permitting, students in Kindergarten to Grade 5 will have an opportunity to perform a Hallowe'en fitness dance that they have been practicing in Physical Education in their cohort groups with Mrs. Mason. After, they will have a dance-a-thon outside in their cohort groups. If the weather is inclement, students will dance during their PE class in the gym. All students will have a class celebration for a period in the afternoon and must bring their own treat as there is no sharing of food. Attached you will find a brown paper bag that your child has decorated. We are requesting your help to fill this "party bag" for your child. The contents of the bag will be their treat for the classroom celebration. Some suggestions for their bag are:

- A small bag of chips, popcorn or pretzels
- A peanut-free chocolate item
- A peanut-free candy item
- A non-candy item (e.g. stickers, play-doh, Halloween pencil, etc.)

Please make sure treats fit inside bag and bag top can be folded so nothing falls out. Students should wear a costume that allows them to participate in recess and PE. This might mean that they wear a different costume to school than the one that they wear out on Hallowe'en night. No one piece or blow up costumes should be worn to school. Students must be able to wear their mask as part of their costume. Please note that Millgrove will be accepting donations to supplement student learning, purchase tech and Go for Green in lieu of fundraising this year. School Cash online is now open for donations. If you would like a tax receipt for your donation of more than \$20, then please donate through the following website and make sure you put "donation to Millgrove Halloween fundraiser" in the comment section. www.hwdsb.on.ca/foundation/ Please note that the tax receipt will be made out to the person who makes the online donation.

Thank you for your ongoing support of Millgrove School.
