

### Millgrove Principal's Report – September 2021

Current student population is 166 in-person and 3 online

We are running full classes and do not expect to reorg. We did gain a DECE and welcome Madalina Corbeanu back and have a new EA, Meaghan MacCartney, covering for Danielle Johnston who is on mat leave until January 2022.

Cross-country for grades 3,4,5 is coming – details from Mrs. Mason

Terry Fox run will be on September 29 and is a school-wide event with online donations only – no volunteers or spectators at this time

Cohort grids rotating weekly to allow students a chance to play in all areas of the playground and use equipment such as soccer and basketballs.

Fundraising is on hold for the moment unless it can be completely contactless such as a dance-a-thon. What are school council's thoughts on this?

Smooth start-up – the daily Covid screener does need to be completed to ensure that students are well enough to attend school. If a child forgets their agenda, at school or home, a quick email to [millgrove@hwdsb.on.ca](mailto:millgrove@hwdsb.on.ca) would be appreciated.

Transportation has been challenging at the end of the day as we still do not have permanent bus drivers. We expect that the bussing challenges should be worked out by the end of the month. We will have bus pals, from grade 5, set up to help out the younger students by the end of the week.

Thank you to school council for your ongoing support this year.
