

Dear Millgrove Parents and Guardians,

Welcome to the Summer of 2024! On behalf of the Millgrove Team, we would like to wish our students and their loved ones / family members a safe, happy and relaxing summer.

Below is some very important information and dates to help you navigate the summer and the upcoming school year together.

For the summer months, accessing the Millgrove School website will allow you to see and to click on **Parent Resources**. These resources will support you in July and August when you are looking for reading resources – there are virtual libraries, website and APPs that can continue to provide review for your child. In addition, there are math resources and mental health resources that take you to links, where again, supports are available for your child and in some cases the whole family. Below is a QR Code that takes you to a Scholastic article and TD's Summer Reading Program with the Hamilton Library to support you with Summer Reading:
