Dear Mount Albion Families,

As you know, at Mount Albion we consider student safety to be our top priority. From time to time, it is helpful to remind students and families about safety procedures.

We recently received a report of a suspicious person on school grounds. Staff contacted police, who investigated and were unable to find evidence to support the incidents.

We are reminding students about safety when walking to and from school. We always recommend that students walk in pairs or groups. We want our students to be aware of their surroundings and to report suspicious activity.

Thank you for helping to reinforce this message.

Sincerely,

Angela Giardino  
Principal
