MAY/JUNE 2021 — PRINCIPAL'S MESSAGE

Dear Mount Albion Families,

I hope that you are all doing well and staying safe. We realize how difficult school closures are on students and their families. It is my hope that our students will be back in school soon with their teachers and their classmates.

Remote Option: The parent portal is open until June 1st for families to select the option of remote learning for their children for the 2021-2022 school year. Should you wish your child to be included in Remote Learning, please complete the survey before the deadline to ensure your child has a placement. There is NO need to access the portal to select in person learning as we will include your child automatically in our school numbers.

Staffing: We are in the process of staffing our school and we have new teachers joining our staff. I will share staff names in our final June Newsletter. Members of school council were informed by our Vice Principal, Mrs. Van der Put that parents could email the school or myself, should they wish to make a placement request for their child for next year. Requests for specific teachers or to have your child placed with friends will not be considered.

Construction Updates: If you happen to drive by the school you will notice that our new childcare centre and gymnasium are coming along nicely. The brick work is almost completed and there are beautiful windows installed. Our contractors are working on the roof and interiors and when this is done, we will see our new driveway, upper parking lot and landscaping completed. We can't wait to see the end product!

I hope that you enjoy the long weekend with your families. Stay safe!

Sincerely,

Mrs. A. Giardino, Principal

**Farewell Mr. Duffy
and Happy Retirement!**

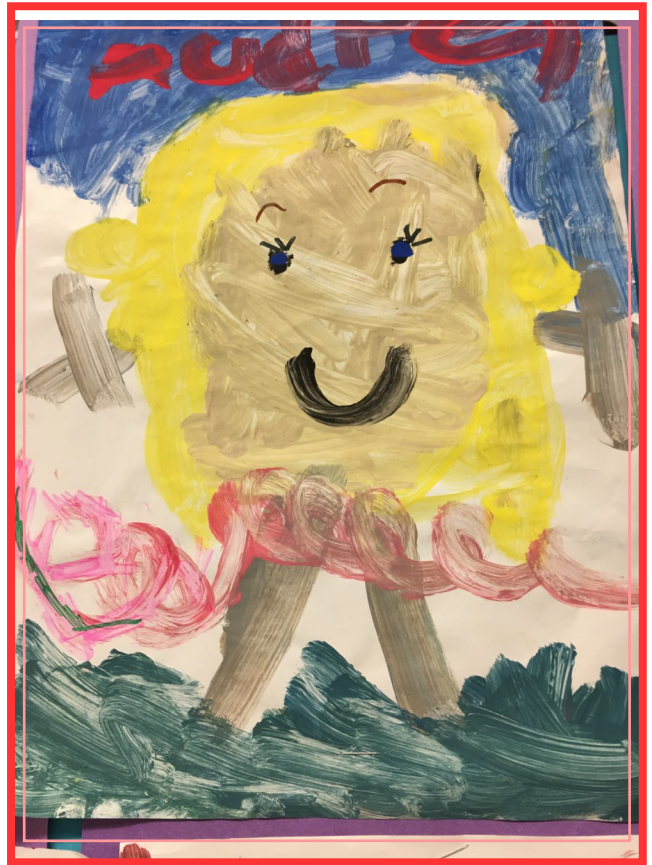

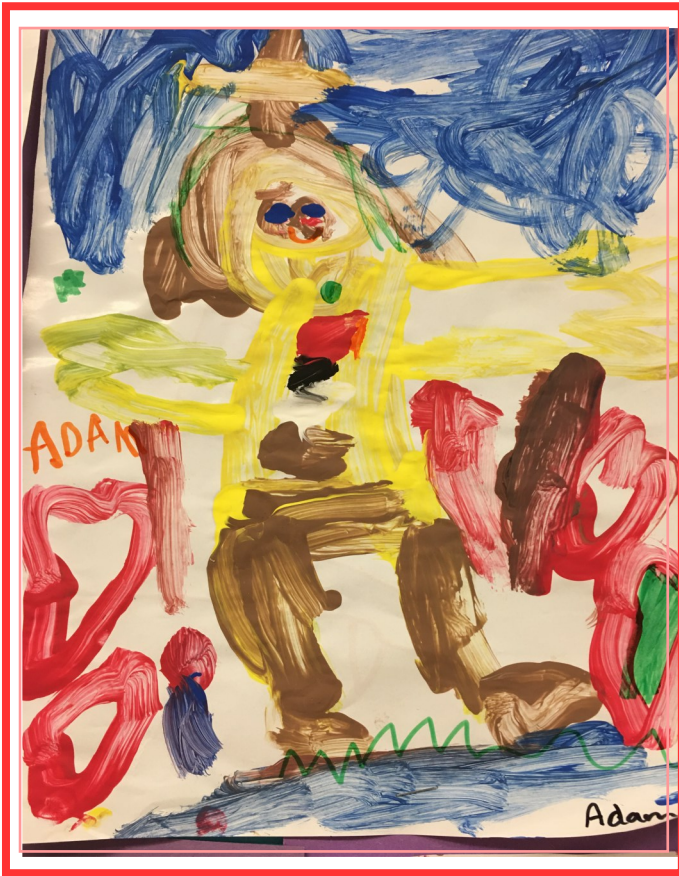

Oh, Boy!

That sure is Swell!

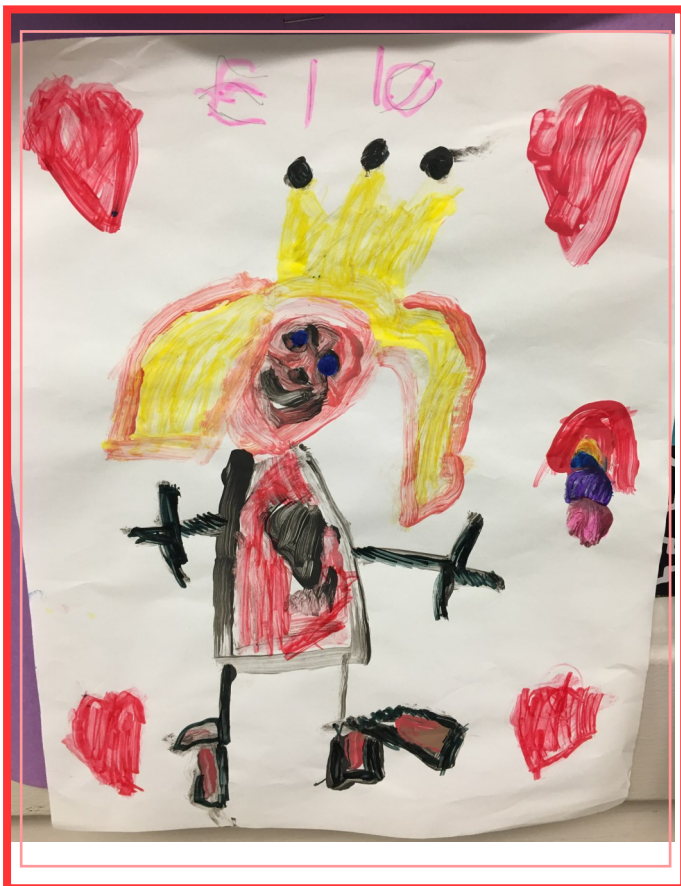

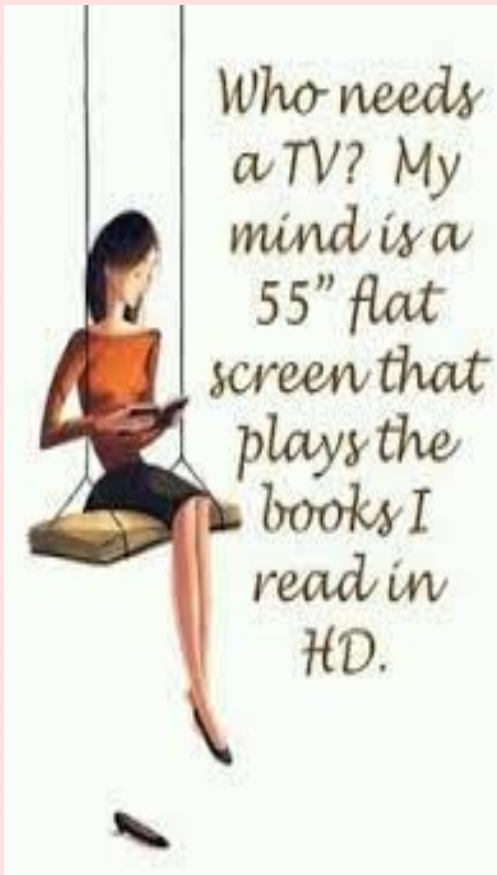

At the end of June we have to say goodbye to Mr. Duffy—loved teacher in our DD Special Class at Mount Albion. Mr. Duffy has worked with the Hamilton Wentworth District School Board for over 31 years. Before coming to Mount Albion School he worked as a Special Education Consultant, a Resource Teacher, was on the Board of Directors of Community Living of Hamilton, and was a facilitator with the Special Olympics.

Enjoy your retirement Mr. Duffy—we will miss you!

Who needs a TV? My mind is a 55" flat screen that plays the books I read in HD.

I love books because I don't have to wait for the commercials to be over to find out what happens
