

Daily Covid Screening

Mount Albion Families,

When we return to in-person classes, **all in-person students will need to complete the screener every morning** before coming to school. Students are only to come to school if they pass the screener.

AT SCHOOL –

STEP 1 – Complete the Screener at home

Screener: <https://covid-19.ontario.ca/school-screening/>

STEP 2A – If your child passes the screener, please initial the yellow tracking calendar (paper copies were distributed in December, [Daily Covid Screening Log](#)) to indicate that your child has passed the screener and may come to school. Students will need to show this tracking calendar to their Period 1 teacher each morning. [As before, students who are able to independently read all the information and complete their own screening on the Ministry site (<https://covid-19.ontario.ca/school-screening/>), may do that independently and show their period 1 teacher the green “passed” screen.]

If your child needs a new copy of the yellow tracking calendar, on their first day back to in-person please indicate in their agenda that they passed the screener or email mountalbion@hwdsb.on.ca to confirm.

STEP 2B – If your child does not pass the screener, they are not to come to school. Please follow this flowchart if a child does not pass the screener: [COVID At Home Protocol-01-05-2022](#). If you have any questions, please give us a call (905-560-0908) or send us an email (mountalbion@hwdsb.on.ca).

AT SCHOOL –

We will follow this flowchart if students develop symptoms: [COVID At School or Child Care Protocol-01-05-2022](#)

Additionally, students who become ill at school may be sent home with a voluntary PCR test. These tests can be taken at home and dropped off at a testing location. Instructions for these tests will be provided and completion is voluntary.

If you have any questions, please give us a call (905-560-0908) or send us an email (mountalbion@hwdsb.on.ca).
