

APRIL 2022 NEWSLETTER

Dear Mount Albion Families:

Spring has arrived and we welcome the warmer weather and the change in seasons. We also welcome the lifting of Covid protocols. We have lifted cohorting of students at recess, have arranged student desks in groups and we have a sense of normal in our school.

FUNDRAISERS ARE COMING BACK

We are happy to announce that we will be reintroducing pizza days this month. All payments for pizza orders must be processed through school cash online. Late orders can not be accepted. May will bring the return of our milk program!

OPEN HOUSE IN MAY!

During Education Week in May, we will host our annual Open House. This is a very exciting event for us as we will be welcoming our families into the building for the first time in two years. We are excited to be able to showcase your children's work and to allow families to tour our ten-classroom addition and our new gymnasium.

PARENT VOLUNTEERS

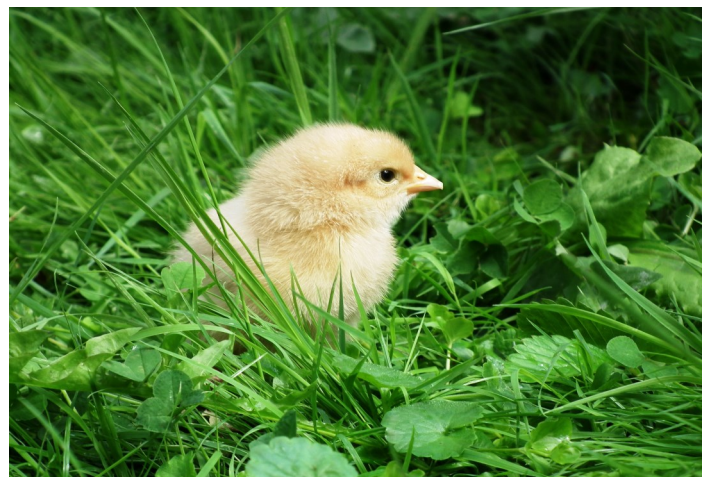

Lastly, we will be welcoming parent volunteers in a limited capacity for specific purposes. Parents interested in volunteering must apply for an updated police check, show proof of the police document to the office and fill in a board form.

AUTISM AWARENESS DAY

Friday April 1st is Autism Awareness Day! Also called inside out day, it helps us to learn more about our friends who live with Autism.

MESSY WEATHER

As we move into the spring and rainy weather, we are asking families, if they are able to, to please send your child to school with a pair of indoor shoes and perhaps a change of clothes. Our field and playground are quite muddy and we are finding students asking to call home for extra shoes and a change of clothes. Indoor shoes will also help keep our school floors clean.
