

SUMMER

JUNE 2022 NEWSLETTER

Dear Mount Albion Families:

The final month of the 2021-2022 school year is upon us. I am very proud of the staff and students for the resilience they have shown throughout this year.

This month our staff has organized several year end field trips and events for our students. We are excited that Covid restrictions have been eased and that we are able to offer these opportunities for our students. Parents wishing to volunteer on our school trips must have an updated Police check (vulnerable sector screening). All police checks must be dated within the last six months.

We are also excited to share that our annual talent show has been scheduled for June 17th. Both staff and students will be performing at the talent show. More details will be shared with families in the coming weeks. Families are welcome to attend the show in our new gymnasium. The show promises to be full of surprises!

As we end this year, we share some staffing updates. I would like to share some exciting news on behalf of Mrs. Flis, Mme Woods, and Mr. Black. All three of these beloved staff members have announced their retirement as of June 30th. Each one has been a valued member of our Mount Albion community and we wish them the best of luck as they enter this exciting phase of their lives.

I would like to thank all Mount Albion families for a wonderful school year. Thank you for all of your kind words and support throughout this year. The positive emails, comments in the morning and handwritten notes from families have been shared with our staff. We wish you a safe and restful summer holiday with your families! - Mrs. A. Giardino
