We wish you all a warm MA welcome!!

Parent Parking

Parents please do not park in the fire lane at the front of the school or the lower parking lot during dismissal. This is causing a lot of safety concerns for our students. Please park your car in the community (following the bylaws) and walk into the playground to meet your child. This way we can ensure that everyone gets home safely.

- Save natural resources by reducing your packaging.
- Prepare a more nutritious lunch.

3 Simple Steps to a Waste-Free Lunch:

1. Use a lunch box or reusable sack
