

# Next Parent Council Meeting Feb 27

Parent Council Updates:

The last few months have been full of fun activities for our school community.

With your support and participation:

- We sold more than 2,800 candy canes and chocolate kisses for the December candy grams!
- More than 200 people attended the Winter Family Dance and danced to a live dj, captured photo booth memories, ate and drank yummy treats such as samosas, slushies and cake pops, and enjoyed each other's company!

More fun to come in the spring from your parent council.
