Dear Parents/Guardians,

I would like to take this opportunity to welcome all of our returning students and families as well as the many new students and families that have moved into the Mount Hope neighbourhood.

As we all get ready for the start of another school year, I wanted to provide you with an update on the renovations taking place at our school.

Work on the new Full Day Kindergarten room is ongoing and is expected to be completed in October. While this work is taking place, Kindergarten students will be learning in Room 2 until the renovations are complete.

Unfortunately, the one classroom addition, interior gym expansion, elevator and barrier free washroom have been delayed until the spring. I will keep you updated on the status of these projects as we move forward.

We are all excited and looking forward to another successful school year and appreciate your patience as we continue our work to ensure that Mount Hope continues to be a school that allows all students to achieve their full potential.

If you have any questions, please do not hesitate to contact the school at 905.679.4145.

Sincerely,

Cheri Barwinski  
Principal
