February 15th, 2017

Dear Mount Hope Community,

Thank you for your ongoing patience as the renovations at Mount Hope continue. We are inching towards completion and expect several key items to be completed in the next few weeks.

Work on the gymnasium, new addition and elevator continues to move forward. The basketball nets are scheduled for installation this week. Once the nets are up, the floor can be laid and the lines painted. The gym may be available for use by the end of February. We are also expecting to have the additional classroom and elevator ready for use by the end of March. The gym floors and other areas will be sealed over March Break.

At this time, we will not be using an off-site location for phys-ed programming. If you have any questions, please do not hesitate to contact me.

Sincerely,

Bill Torrens
Superintendent of Student Achievement, Family of Schools Five
