April 11, 2017

Dear Mount Hope Community,

As we near the end of construction, I would like to thank you for your patience during our recent school renovations.

The new gym and classroom are now open to students, while exterior renovations and work on the elevator is still underway.

We continue to work closely with the contractors to create a safe and clean learning environment for staff and students. Future updates will continue to be shared on our website at <http://www.hwdsb.on.ca/mounthope/>.

Again, thank you for your ongoing patience and understanding as we complete the renovations at Mount Hope.

Sincerely,

A handwritten signature in black ink, appearing to read "Bill Torrens".

Bill Torrens
