

Message from the Principal – March 2022

We are well into the start of our second term at Mount Hope! As you are aware the first Report Card was sent home in February giving our caregivers an opportunity to discuss achievement with their child and focus on growth and improvement through goal setting and next steps. We value the importance of a home-school connection and appreciate the support that you provide at home to ensure your child is meeting with success in all subject areas. The second Report Card will go home at the end of June to reflect achievement from February through to June. Please feel free to contact your child's teacher to discuss questions you may have around their progress and achievement in Term 1.

Our Character Builds programming continues at Mount Hope with our new trait of Honesty & Trustworthiness being the focus for the month of March. Students have opportunities to learn the importance of traits to build their character and demonstrate their learning through their thoughts, behaviours and actions at school, on the playground and in the community!

We continue to share our student work that is displayed throughout our school on twitter. Please feel free to join us on twitter (Mount Hope School @ MountHope_HWDSB) to get up to date information & view student success over the course of the year!

With March upon us, we are looking forward to the spring and realize that Daylight Savings Time is approaching! Please remember to spring forward your clocks by 1 hour on March 13th which will bring longer daylight to look forward to! We also have March Break approaching the week of March 14th. We wish our families and students a wonderful March Break week to rest & recharge for the remainder of the school year.

Wishing you an enjoyable break & month ahead!

Sincerely,

Mount Hope School Team

Principal – Ms. N. Radojevic
