

# MESSAGE TO ALL FAMILIES OF GRADE 3 AND GRADE 6 STUDENTS

RE: EQAO

Greetings!

As you are aware, students in Grades 3 and 6 will be writing EQAO tests in math and literacy this month. The following dates apply:

**GRADE 3** Tuesday, May 24 - Friday, May 27 inclusive

**GRADE 6** Monday, May 30 - Thursday, June 2 inclusive

We are making a concerted effort against applying undue pressure on students in terms of the results of these tests. We are mindful of the inordinate pressure students have been under these past two and a half years and how COVID has directly affected learning opportunities. Students are encouraged to do their best, and be proud of their efforts.

To support your child during the process we suggest:

- That attendance is timely, and consistent for the 4 writing days (please endeavour to book appointments outside of writing week)
- Help you child 'key down' the night before so they get a good rest
- A solid, healthy breakfast each day will help with attention and focus
- Ensure your child brings their water bottle so they can stay hydrated

Should you have any questions or concerns, please contact your child's homeroom teacher.
