<b>Safety Reminders</b>	<p>Please remember school dismisses at 3:05. Up until 3:05 there may be classes outside participating in outdoor education sessions, DPA or gym. In order to keep everyone safe we need to keep the playground congestion to a minimum. Your cooperation in following the guidelines below will go along way to keeping everyone safe.</p> <ol style="list-style-type: none"> <li>1. Parents/guadians/siblings must be wearing a mask or face covering at ALL times when on school property.</li> <li>2. Parents/guardians/siblings are not to enter the class bubbles on the field. Ideally you will wait for your child(ren) a safe distance from their class bubble until they are dismissed and then they will come to you. It is important we can track all students and dismiss them safely based on their dismissal requirements (ie, bus/after school care/walking etc.).</li> <li>3. The school parking lot is for <b>STAFF ONLY</b>. Parents may <b>NOT</b> park there when picking up at dismissal. It is a huge safety issue!... the bus students need to travel through this area to board the bus.</li> </ol>	All

Halloween	<p>Halloween is on its way! This year we will celebrate Halloween, however it will be bit different as we will be following public health guidelines. Students may come dressed in their costumes and will remain in them all day, (keep this in mind when choosing a costume). Please do not send costume accessories (ie. wands, weapons, full face masks that impede vision etc). Students may bring a small treat to enjoy at their desks, no sharing of treats this year due to COVID19. Since we cannot have our usual parade through the halls for parents, teachers will post pictures from their classes, where possible, for parents to enjoy. Please note that if you have not completed the Media Consent form for your child(ren), we will not be able to post their Halloween pictures. This form is available in the Parent Portal under Permissions/Agreements.</p>	Mom/Dad
