

FRIDAY HOMEWORK

(week ending October 2, 2020)

Welcome to October! Due to our continually changing new world, we are going to take a break from our monthly newsletter and continue on with the parent to do list we have used the past couple of weeks but we are renaming it Friday Homework. We will use the Friday Homework format as the way to communicate with you in a timely manner, any changes (school, board, ministry...). It will also let you know how it affects Mountview School and any steps you may need to take on any particular item. We will put the newer items at the top and any items that are staying on from the previous weeks will be closer to the bottom. We are sending home the paper version this week as a one time only issue. All future updates will be posted on our Website every Friday by 3:00pm. We encourage you to subscribe to the Mountview Website so you will receive notification when something new is posted. Instructions on how to subscribe are included in the action items below.
