

March 26, 2018

Dear Norwood Park families,

I hope everyone had a safe and restful March Break. I would like to take a moment and thank John Bradley for his work as our temporary Principal over the past few months in Ms. Rodney-Bartolos' absence. His last day with us will be March 29, 2018.

I am happy to announce that David Hazel will be assuming the role of temporary Principal at Norwood Park Elementary School effective April 3 2018. Currently, Mr. Hazel is our acting Vice Principal and was the former Principal of Norwood Park.

In addition, Caitlin Evans will be joining Norwood Park as the permanent 0.5 Vice Principal effective April 9th 2018.

Together they bring a wealth of experience and knowledge that will serve to support Norwood Park School and its community.

Please join me in welcoming both David and Caitlin to our Norwood Park community.

Thank you,
