Dear Associate School Families & Caregivers,

On behalf of Sherwood Secondary School, we would like to ensure that all our future Sherwood Saints students and families have the correct information about our upcoming ***Getting Ready for High School Event*** (also known as Grade 7/8 Night and French Immersion Night). It has come to our attention that a poster may have been released to some families with the incorrect date, and/or other families may have seen incorrect information posted on the board's website, including the wrong school address.

Sherwood Secondary School's *Getting Ready for High School Event* is happening on Thursday, November 20th from 5-7pm.
We are located at **25 High Street.**

This event includes;

- At **5pm** Families and Caregivers will learn about pathways for students, how to read a course code, and what an average day Sherwood looks like for a student. Please arrive promptly to the auditorium.
- Following that, a **French Immersion** presentation that highlights the requirements to fulfil the French Immersion Certificate, the DELF examination, and other key program details will be discussed in the auditorium. The Q&A session will follow.
- In addition, this is an **Open House** opportunity for families and future Saints. They can explore the school, meet staff from each department, and visit classrooms.

Finally, Sherwood was also made aware that this date conflicts with Elementary School Parent-Teacher Interviews. We strongly encourage you to prioritize visiting Sherwood and making alternative plans to connect with your student's grade 8 teacher(s) either via email or phone interview. Thank you kindly for your patience and we look forward to seeing you,

Sincerely,
Sherwood S S Administration
