

Parameters & Reminders for Taking the School Bus...

The following guidelines help to ensure everyone's safety while riding the school bus.

Please read the guidelines below and speak with your child(ren) about bus safety:

- Students sit one to a seat unless they belong to the same family. Maximum 2 to a seat
- Where possible, the seat directly behind the school bus driver should remain empty
- Students of all ages must always wear non-medical masks on the bus (unless exempted)

- Physical distancing is important as students wait for the bus.
- Students to sanitize hands upon entry.
- Students load the bus one at a time and choose a separate seat from all others.
- All students should sit near the window, if possible.
- Students must always stay seated
- Students must sit in their designated seat according to the seating plan.
- Students need to load the bus one at a time and wait until the student is 2m ahead
