## March 2020 Newsletter

### Friendly Reminder to Parents/Guardians

All parents/guests visiting the school must report to the main office upon entering the building. Individuals entering the school are not permitted to walk through the hallways unless given clearance by administrative personnel. This also includes when dropping off or picking up your child(ren) at the start and/or end of the day respectively. Please refrain from escorting your child to their classroom. If your child is late, please report to the office so the office staff can adjust the attendance and make arrangements to have your child escorted to their classroom.

### Construction

Construction continues next door to the school. Please remind your student(s) to stay away from all machinery and construction sites. Cutting through the field is not safe and we ask that you walk around.

### Factory Shoe Fundraising

Thank you to those families that have participated already. This initiative continues. If you have lost your card, please pick one up at the office.

### Staffing

On March 2, we welcome Ms. George to our school, who will be covering French for Mme. Sousa. Congratulations to Mrs. Baines who has been promoted to an Executive Assistant providing direct support to Executive Council. We wish her the best and will miss her at Pauline Johnson School.

### Labour Negotiations

You can find regular updates on the HWDSB website and by following HWDSB on Twitter, Facebook, and Instagram. Please check often.

### Parking

We have heard from our neighbours on Hummingbird Lane that residential driveways have been blocked and/or parked in. Please refrain from doing this. Our recommendation is always to use active transportation (walk, ride) to avoid the congestion around the school.

Sincerely,

Ms. Trimble  
Principal

Mr. Lutterotti  
Vice-Principal

### List of Events – March 2020

Accurate at time of publication, please see school website “Events” calendar for up to date information.

March 6 – PA Day (No school for students)
