Principal's Report

- COVID protocols are working well, staff and students are doing a great job adhering to the changes
- EQAO cancelled last year and this year
- SAP – our goals stand, Early Reading, Improvement in Mathematics and All Students Graduating
- Reorganization is Nov 3. We are anticipating closing classes at this point. We will do our best to minimize student movement, but there will be student movement and class changes.
- Nutrition – our inventory has been ordered and is arriving and we will be starting the program soon.

Chair

- Asking for updates around the renovations -The outdoor space and Rooms 211, 212 are very nearly finished, there is still a lot of work to be done in the library. Delays are because items are backordered.
- Communication (School Messenger Blasts are not coming through)– we have an issue with PowerSchool and Safe Arrivals and are in the midst of a data cleanup which should correct the issues. Consider using Twitter as a substitute in the meantime.
