

Digital Literacy + Coding Pilot

Learn how to design and build using code!
Join us every **Wednesdays from 3:30PM & Fridays 7:00-9:00 PM** with our on-site instructor and learn how to create websites, design apps and a whole lot more!

No previous experience with code needed!
Workshops are open to **youth ages 12-16!**

Laptops will be provided and programming is free of cost.

When: Wednesdays & Fridays
Where: 45 Ellis Ave
