EarlyON Student's Health Tip
From Isoken & Erika

Remember the importance of proper hand washing.
When to wash your hands:
Before and after eating
After using the toilet
After blowing your nose
Before cooking
Any other time they are dirty

REMEMBER

CLEAN HANDS ARE HEALTHY HANDS

PRINCIPAL'S MESSAGE

Hello Community,

December all ready!! Lucky that the weather has not been too bad yet, however we would like to remind everyone that cold weather clothing is important. We have lots of gloves and hats just in case.

Lunch Box orders is up and running for every Wednesday. Please tell your child if they are receiving lunch that day.

We have many events this month as usual. December 6th is the student turkey dinner. We have a food drive to support our local food bank. It runs Dec 6 to Dec 14. Holiday Bazaar is Dec 14 in the gym from 3:00 pm to 6:00 pm. Parent Holiday Concert Dec 19 @10:50am. Dec. 19 is the bake sale. Dec 21st is the last day before the winter break and is also our PJ Day. These are just a few. Please stay tuned to the school sign and/or the website for updated info.

In the past few weeks we have had Scientists in our classrooms doing all kinds of fun experiments. Thanks to classroom staff for arranging this. The kids had a blast.

A couple reminders about cold weather policies. First, our policy is not to salt the playgrounds. Walkways and door areas will be salted. Sidewalks are the City's concern. If we find that the playground is too dangerous, we will stay inside or change playgrounds if possible. When we get the super cold weather we follow our policy. When the temperature is –15 WITHOUT wind chill or –20 WITH wind chill, we will stay inside. We will use the weather.ca website and app to determine the temperature outside. Any questions please contact Mr Castellani.

Winter Break this year is Dec 22, 2018 with a return date of Jan 7, 2019. I am so pleased to be at POW where we have many different cultures and traditions represented. Many cultures have traditions that occur in December, some that happen over the break. Other's happen at different points of the year. I look forward to learning about new traditions and would encourage students to come and talk to me about them.

It is my tradition and culture (being of Italian decent), that this holiday break is a time for food and family. It is in that spirit along with a message of peace, that I wish everyone a Merry Christmas and Happy New Year.

M.Castellani
