PRINCIPAL'S MESSAGE

Hello Community,

January brings many changes. A New Year to look forward to, resolutions for change, some we may even manage to keep 😊

One of those changes is Prince of Wales welcoming our new Vice Principal Mrs. Mubina Panju. Mrs Panju comes from Billy Green and Ridgemount schools. I could not be more happy to have her as part of our team. In speaking with her, I know she is looking forward to meeting the kids and the community. Ms Trimble, we are pleased to say, has been promoted to principal. Her last day is Dec 21 2018. I would like to thank her for her service, I know she will do great things at Pauline Johnson. Ms Trimble has added a personal note to the newsletter.

The first week back Jan 7-10, we Vision Works in the building. This is a free eye test for all students with glasses provided at a very minimal cost if needed. We also have Dental Screening for our FDK and Gr 2 students on Jan 23rd.

Report Cards are coming out Feb 12. January is a great time to connect with your child's teacher to get a quick update.

We haven't really felt super cold or snowy weather yet. Remember, dress warm when it does. We have lots of extra mitts and gloves to give out. A snow day will be posted on the HWDSB twitter feed, on www.hwdsb.on.ca and on local media. Usually this message is out by 6:30 am the latest. In super cold weather we will not be outside if its colder than -15 without windchill or -20 with windchill.

Thank you to the community members who have tried to stay out of the bus loading zone in the am and pm times. Please be reminded that we should not be stopped or parked in that loading zone at any time. Busses arrive early or late depending on traffic, they should not have to wait or block the street because of cars parked illegally.

Finally, just wanted to say a big thank you to all the staff and especially the studnets who made the Holiday Concert a great success. It was wonderful to see an over capacity crowd come to watch.
