PRINCIPAL'S MESSAGE

Hello Community,

It was great to have a few warm days last week. Spring is around the corner. We always notice our lost and found grows this time of year. Please write your child's name on the label. Helps us get clothing back to owners.

The Easter Break is mid April this year. Have a look at the calendar. April 10th is International Pink Day. We have several events already running. This day isn't just about bullying but also provides a greater opportunity to talk about how we treat one another. In the coming months information will be coming home regarding Prince of Wales' new positive climate message and vision.

In May we will begin the process of creating classes for next year. For the month of April I will accept written or email notes only regarding class requests. My email is mcastell@hwdsb.on.ca, or by logging into the website and emailing the school. Combined, straight classes, friend requests, etc. will be considered. We will not accept teacher requests beyond not having the same teacher twice which is understandable. Class building is a difficult process. Our first filter and consideration is the academic progress of a student. We will also try to balance that with the mental and physical well-being of the student. Any parental requests will be considered but are not guaranteed.

We are entering year end trip season as well. Lots of parent volunteers may be needed. If you would like to volunteer you need a police check. Please consider doing that now. We need to see it, record the date, then you can help us on trips. Thank you for your support.

Finally on April 16th from 3:30–7:00 pm in the gym, POW Parent Council is hosting a store front of services available for students and parents as a drop-in. We will have coffee and treats. A flyer will be going home shortly giving more detail. Both HWDSB and community resource teams will be present.
