## PRINCIPAL'S MESSAGE

Hello Community,

The push to June is now on. We are focused on the last few weeks of instruction, getting our students ready for the last round of final assessments and evaluations. Now would be a great time to check in with your child's teacher to know where they are at and what next steps can be taken to ensure a successful completion of the year.

I had the opportunity to join our students at the Tim Horton's Camp. We met with the camp leaders there to discuss future plans and how the camp can support our new Positive Climate Vision that is rolling out in September 2019. Staff are getting together May 2, to review the student voice surveys we conducted throughout April. We are planning a full school assembly to role out our new plan and vision. Next year will be exciting as we work towards making Prince of Wales even better.

Many thanks to the teachers and volunteers who coached the basketball teams, the choir and the swim team during April and into May. Our students always represent POW with sportsmanship and pride. Well done.

Attached is the Mohawk as a Second Language class commitment letter. We will be making some slight changes to the grade 1 and 2 offering. We will be continuing to offer grade 3-8 classes 4 times a week as a replacement for French Language instruction. Please review this as we will need to confirm numbers for class building. Please fill it out whether you are new OR returning to the program.

Open House is May 9 2019 from 3:30—5:00 pm. Please check out the Family Pizza flyer. We will have free fresh coffee for parents as well. Looking forward to seeing you all.

Finally, we have grade 3 and grade 6 EQAO in late May. Information will come home to those classes letting parents know start and finish dates.

M.Castellani
