October 8, 2020

Dear families,

This letter is to let you know that a student experienced a medical issue at school today.

First responders arrived at the school, and the student, who was in stable condition, was transported by ambulance to the hospital.

Your child may have witnessed this happening. We want to make you aware of this incident in case your child mentions it to you, or if you wish to have a family conversation about it.

We want you to know that student health and safety is of the utmost importance at Prince of Wales. We thank Hamilton Paramedic Services for their efforts. We also thank the staff for their leadership and students for their cooperation.

Please see the resource [Tips for adults supporting children and youth after distressing events](#).

If you have any questions, please contact the school office.

Sincerely,

Michael Castellani  
Principal
