Student Name: _____

Dear Parents/Guardians:

RE: Class Reorganization

Each fall, HWDSB reviews elementary student enrolment in schools, and reorganizes staffing if actual enrolment differs from spring projections. It is normal for student enrolment to fluctuate a little.

This year, the fall reorganization is more widespread due to the in-person/remote option for students, as well as the ongoing need to meet provincial class size requirements.

Specifically, at our school, the reorganization will mean:

- A decrease in the number of classes, as some classes have closed due to decreased in-person enrolment
- An increase in the number of Remote Classes
- A decrease in the number of teaching staff, aligned with the closure of some Classes

Here is the new organization for Prince of Wales, effective October 4, 2021:
