Old Business	Pro Grant was awarded. We had discussed using this to recreate some literacy kits with the help of Janet Raymond. A portion of the grant is to be spent on materials, the remaining for refreshments and childcare. Date was not yet determined, we had previously done the hands on session at an open house event. Previously 40 kits had been made and only 20 people came to the session and the remaining were distributed to families. We discussed Signing up to secure a kit for participants, while keeping it open for others to still attend the information session.	

	School grounds – We are still waiting to hear from the school board to progress further on our plans for the school grounds endeavor with Green Venture.
